Relevant Work Experience

Media Assistant, Van Dyvine Interiors | Alexandria, VA | June 2023 - Present

- Collaborate weekly with the owner on new home project ideas, videos, Instagram posts, and potential client work
- Post original content as well as content provided by the owner to keep her Instagram account active and engage with our audience frequently

Logo Designer, Rocktown High School | Harrisonburg, VA | August 2023 - October 2023

- Worked with client information to develop academic and athletic logos, business cards, social media posts, and wall murals
- Revised work weekly based on collaborate class efforts to create a product perfect for the client
- Developed new and creative ideas and suggestion for the client to choose from

Contributing Writer, Proust Lifestyle Magazine | Harrisonburg, VA | February 2022 - May 2023

- Wrote interior design articles related to trends around student living decor
- Designed and reimagined spaces to support the themes of the articles
- Supported photographers in capturing images of my designed spaces
- Collaborated with editors to publish bi-annually

Event Support, Massanutten Resort | Massanutten, VA | February 2022 - Present

- Collaborate with event planner to organize special event space
- Design and decorate event spaces to meet needs of clients for productive event flow
- Advertise and promote specials, menu items, and appropriate options for food allergies

I am a creative thinker and am passionate about design with an eye for layout. I have effective prioritization, organizational, and interpersonal skills. Collaboration and problem solving are areas where I thrive while managing projects or providing feedback to colleagues.

Education

James Madison University

August 2020 - Current

- Bachelor of Science *Media Arts and Design - Interactive Design Concentration*
- *General Communication Studies* Minor
